SECTION II – COMPOSITION OF THE ARBITRAL TRIBUNAL

2. Notwithstanding paragraph 1, if no other parties have responded to a party's proposal to appoint a sole arbitrator within the time limit provided for in paragraph 1 and the party or parties concerned have failed to appoint a second arbitrator in accordance with article 12, the LACIAC Court may, at the request of a party, appoint a sole arbitrator pursuant to the procedure provided under article 11, para-graph 2, if it determines that, in view of the circumstances of the case, this is more appropriate.

Article 11: Appointment of arbitrators (articles 11 to 13)

1. If the parties have agreed that a sole arbitrator is to be appointed and if within 30 days after receipt by all other parties of a proposal for the appointment of a particular person as a sole arbitrator the parties have not reached agreement thereon, a sole arbitrator shall, at the request of a party, be appointed by the LACIAC Court.
2. The LACIAC Court shall appoint the sole arbitrator as promptly as possible. In making the appointment, the appointing authority shall use the following list-procedure, unless the parties agree that the list-procedure should not be used or unless the LACIAC Court determines in its discretion that the use of the list-procedure is not appropriate for the case:
 - a) The LACIAC Court shall communicate to each of the parties an identical list containing at least three names.
 - b) Within fifteen days after the receipt of this list, each party shall return the list to the LACIAC Court after having deleted the name or names to which the party objects and numbered the remaining names on the list in order of the party's preference.
 - c) After the expiration of the above period of time the LACIAC Court shall appoint the sole arbitrator from among the names approved on the lists returned to it and in accordance with the order of preference indicated by the parties.

d) If for any reason the appointment cannot be made according to this procedure, the LACIAC Court may exercise its discretion in appointing the sole arbitrator.

Article 12

1. If three arbitrators are to be appointed, each party shall appoint one arbitrator. The two arbitrators thus appointed shall choose the third arbitrator who will act as the presiding arbitrator of the tribunal.
2. If within 30 days after the receipt of a party's notification of the appointment of an arbitrator the other party has not notified the first party of the other party's appointment of an arbitrator, the first party may request the LACIAC Court to appoint the second arbitrator.

Article 13

1. For the purposes of article 12, paragraph 1, where three arbitrators are to be appointed and there are multiple parties as claimant or respondent, unless the parties have agreed to another method of appointment of arbitrators, the multiple parties jointly, whether as claimant or as respondent, shall appoint an arbitrator.
2. In the absence of a joint nomination pursuant to paragraph 1 and where all parties are unable to agree to a method for the constitution of the arbitral tribunal, the LACIAC Court may appoint each member of the arbitral tribunal and shall designate one of them to act as the presiding arbitrator. In such case, the LACIAC Court shall be at liberty to choose any person it regards as suitable to act as arbitrator taking into account the nationality of the parties, residence,

subject matter expertise, and other relationships with the countries of which the parties or the other arbitrators are nationals and the prospective arbitrator's availability and ability to conduct the arbitration in accordance with the Rules.

3. If the parties have agreed that the arbitral tribunal is to be composed of a number of arbitrators other than one or three, the arbitrators shall be appointed according to the method agreed upon by the parties. The appointed arbitrators shall then determine the chairman, ensuring that the total number of arbitrators, including the chairman, is an uneven number.
4. In the event of any failure to constitute the arbitral tribunal under these Rules, the LACIAC Court shall, at the request of any party, constitute the arbitral tribunal and, in doing so, may revoke any appointment already made and appoint or reappoint each of the arbitrators and designate one of them as the presiding arbitrator.

Article 14: Disclosure by arbitrators

When a person is approached in connection with his or her possible appointment as an arbitrator, he or she shall disclose any circumstances likely to give rise to justifiable doubts as to his or her impartiality or independence by submitting to the Secretariat a signed statement of impartiality and independence. An arbitrator, from the time of his or her appointment and throughout the arbitral proceedings, shall without delay disclose any such circumstances to the parties and the other arbitrators unless they have already been informed by him or her of these circumstances.

Article 15: Challenge of arbitrators

1. Any arbitrator may be challenged if circumstances exist that give rise to justifiable doubts as to the arbitrator's impartiality or independence.
2. A party may challenge the arbitrator appointed by it only for reasons of which it becomes aware after the appointment has been made.
3. In the event that an arbitrator fails to act or in the event of de jure or de facto impossibility of his or her performing his or her functions, the procedure in respect of the challenge of an arbitrator as provided in article 16 shall apply.

Article 16: Procedure for challenge of arbitrators

1. A party that intends to challenge an arbitrator shall send notice of its challenge within 15 days after it has been notified of the appointment of the challenged arbitrator, or within 15 days after the circumstances mentioned in articles 14 and 15 became known to that party. The notification shall be in writing and shall state the reasons for the challenge.
2. The notice of challenge shall be communicated to the LACIAC Court through the Secretariat, to all other parties, and to the arbitrator who is challenged and to the other arbitrators. The notice of challenge shall state the reasons for the challenge.
3. When an arbitrator has been challenged by a party, all parties may agree to the challenge. The arbitrator may also, after

the challenge, withdraw from his or her office. In neither case does this imply acceptance of the validity of the grounds for the challenge.

4. If, within 15 days from the date of the notice of challenge, all parties do not agree to the challenge or the challenged arbitrator does not withdraw, the party making the challenge may elect to pursue it. In that case, within 30 days from the date of the notice of challenge, the LACIAC Court shall make the final decision on the admissibility and, at the same time, if necessary, on the merits of a challenge after it has afforded an opportunity for the arbitrator concerned, the other party or parties and any other members of the arbitral tribunal to comment in writing within a suitable period of time. Such comments shall be communicated to the parties and to the arbitrators.

Article 17: Replacement of an arbitrator

1. Subject to paragraph 2, in any event where an arbitrator has to be replaced during the course of the arbitral proceedings, a substitute arbitrator shall be appointed or chosen pursuant to the procedure provided for in articles 10 to 13 that was applicable to the appointment or choice of the arbitrator being replaced. This procedure shall apply even if during the process of appointing the arbitrator to be replaced, a party had failed to exercise its right to appoint or participate in the appointment.
2. If, at the request of a party, the LACIAC Court determines that, in view of the exceptional circumstances of the case, it would be justified for a party to be deprived of its right to appoint a

substitute arbitrator, the LACIAC Court may, after giving an opportunity to the parties and the remaining arbitrators to express their views: (a) appoint the substitute arbitrator; or (b) after the closure of the hearings, authorise the other arbitrators to proceed with the arbitration and make any decision or award.

Article 18: Repetition of hearings in the event of the replacement of an arbitrator

If an arbitrator is replaced, the proceedings shall resume at the stage where the arbitrator who was replaced ceased to perform his or her functions, unless the arbitral tribunal decides otherwise.

Article 19: Exclusion of liability

Save for intentional wrongdoing, the parties waive, to the fullest extent permitted under the applicable law, any claim against the arbitrators, the LACIAC Court and any person appointed by the arbitral tribunal in respect of any act or omission in connection with the arbitration.

SECTION III – FEES AND ADMINISTRATIVE EXPENSES

Article 20: Administrative Expenses

The administrative expenses of the LACIAC Court shall be determined based on the sum in dispute and in accordance with table 1 of Annex IV or any update to table 1 of Annex IV that is published on LACIAC's website. The sum in dispute shall be the aggregate value of all claims, counterclaims and set offs. Where the sum in dispute cannot be ascertained, the LACIAC Court shall

determine the administrative expenses taking all relevant circumstances into account.

Article 21: Fees and expenses of arbitrators

1. The arbitrators' fees shall be determined based on the sum in dispute in accordance with table 2 of Annex IV, or any update to table 2 of Annex IV that is published on LACIAC's website. The sum in dispute shall be the aggregate value of all claims, counterclaims and set offs.
2. Where the sum in dispute cannot be ascertained, the arbitral tribunal shall, in its discretion, determine its fees taking all relevant circumstances into account. The fees so determined shall be reasonable in amount, taking into account the complexity of the subject matter, the time expected to be spent by the arbitrators and any other relevant circumstances of the case.
3. An arbitrator may, by agreement with the parties, charge fees that are less or more than the amount calculated in accordance with table 2 of Annex IV, or any update to table 2 of Annex IV that is published on LACIAC's website.
4. Promptly after its constitution, the arbitral tribunal shall inform the parties as to the amount of its fees, calculated in accordance with table 2 of Annex IV, or any update to table 2 of Annex IV that is published on LACIAC's website, or in accordance with paragraph 2 of this article 21, and the amount of its expenses.
5. The rates as shown in table 2 of Annex IV shall apply to individual arbitrators. Hence the fees for a tribunal of more than one (1) arbitrator shall be multiplied by the number of arbitrators appointed.

6. Within 15 days of receiving the arbitral tribunal's determination of fees and expenses, any party may refer for review such determination to the LACIAC Court. If the LACIAC Court finds that the arbitral tribunal's determination is inconsistent with these Rules, or is otherwise manifestly excessive, it shall, within 45 days of receiving such a referral, make any adjustments to the arbitral tribunal's determination that are necessary to satisfy the criteria in paragraphs 1 and 2. Any such adjustments shall be binding upon the arbitral tribunal.
7. During the process referred to in paragraph 6, the arbitral tribunal shall proceed with the arbitration, in accordance with article 23(1).
8. A referral under paragraph 6 shall not affect any determination in the award other than the arbitral tribunal's fees and expenses nor shall it delay the recognition and enforcement of all parts of the award other than those relating to the determination of the arbitral tribunal's fees and expenses.

Article 22: Deposit of costs

1. The arbitral tribunal, on its establishment, may request the parties to deposit an equal amount as an advance for the costs referred to in article 47 (2)(b), (c), (d) and (g).
2. During the course of the arbitral proceedings the arbitral tribunal may request supplementary deposits from the parties.
3. The arbitral tribunal shall fix the amounts of any deposits or supplementary deposits only after consultation with the

LACIAC Court, which may make any comments to the arbitral tribunal that it deems appropriate concerning the amount of such deposits and supplementary deposits.

4. If the required deposits are not paid in full within 30 days after the receipt of the request, the arbitral tribunal shall so inform the parties in order that one or more of them may make the required payment. If such payment is not made, the arbitral tribunal may order the suspension or termination of the arbitral proceedings. Such termination shall be without prejudice to the right of the claimant and/or respondent to submit the same claims at a later date in another notice of arbitration or counterclaim.
5. After a termination order has been made, the arbitral tribunal shall render an accounting to the parties of the deposits received and return any unexpended balance to the parties.

SECTION III – ARBITRAL PROCEEDINGS

Article 23: General Provisions

1. Subject to these Rules, the arbitral tribunal may conduct the arbitration in such manner as it considers appropriate, provided that the parties are treated with equality and that at an appropriate stage of the proceedings each party is given a reasonable opportunity of presenting its case. The arbitral tribunal, in exercising its discretion, shall conduct the proceedings so as to avoid unnecessary delay and expense and to provide a fair and efficient process for resolving the parties' dispute.
2. As soon as practicable after its constitution and after inviting the parties

The claimant may elect to treat its notice of arbitration referred to in article 4 as a statement of claim, provided that the notice of arbitration also complies with the requirements of paragraph 2 to 4 of this article.
2. The statement of claim shall include the following particulars:
 - a) The names and contact details of the parties;
 - b) A statement of the facts supporting the claim;
 - c) The points at issue;
 - d) The relief or remedy sought;
 - e) The legal grounds or arguments supporting the claim.
3. A copy of any contract or other legal instrument out of or in relation to which the dispute arises and of the arbitration agreement shall be annexed to the statement of claim.
4. The statement of claim should, as far as possible, be accompanied by all documents and other evidence relied upon by the claimant or contain references to them.

Article 27: Statement of Defence

1. The respondent shall communicate its statement of defence in writing to the claimant and to each of the arbitrators, with a copy to the Secretariat, within a period of time to be determined by the arbitral tribunal. The respondent may elect to treat its response to the notice of arbitration referred to in article 4 as a statement of defence, provided that the response to the notice of arbitration also complies with the requirements of paragraph 2 of this article.
2. The statement of defence shall reply to the particulars in the statement of claim referred to in items (b) to (e) of article 26 para 2 of these Rules. The statement of defence should, as far as possible, be accompanied by all documents and other evidence relied upon by the respondent or contain references to them.
3. In its statement of defence, or at a later stage in the arbitral proceedings if the arbitral tribunal decides that the delay was justified under the circumstances, the respondent may make a counterclaim or rely on a claim for the purpose of a set-off provided that the arbitral tribunal has jurisdiction over it.
4. The provisions of article 26, paragraphs 2 to 4, shall apply to a counterclaim, a claim relied on for the purpose of a set-off and an arbitration under the fast-track procedures in Annex III.

Article 28: Amendments to the claim or defence

During the course of the arbitral proceedings, a party may amend or supplement its claim or defence, including a counterclaim or a claim for the purpose of a set-off, unless the arbitral tribunal considers it inappropriate to allow such amendment or supplement having regard to the delay in making it or prejudice to other parties or any other circumstances. However, a claim or defence, including a counterclaim or a claim for the purpose of a set-off, may not be amended or supplemented in such a manner that the amended or supplemented claim or defence falls outside the jurisdiction of the arbitral tribunal.

Article 29: Pleas as to the jurisdiction of the arbitral tribunal

1. The arbitral tribunal shall have the power to rule on its own jurisdiction, including any objections with respect to the existence or validity of the arbitration agreement. For that purpose, an arbitration clause that forms part of a contract shall be treated as an agreement independent of the other terms of the contract. A decision by the arbitral tribunal that the contract is null shall not entail automatically the invalidity of the arbitration clause.
2. A plea that the arbitral tribunal does not have jurisdiction shall be raised no later than in the statement of defence or, with respect to a counterclaim or a claim for the purpose of a set-off, in the reply to the counterclaim or to the claim for the purpose of a set-off. A party is not precluded from raising such a plea by the fact that it has appointed, or participated

in the appointment of, an arbitrator. A plea that the arbitral tribunal is exceeding the scope of its authority shall be raised as soon as the matter alleged to be beyond the scope of its authority is placed before the arbitral tribunal. The arbitral tribunal may, in either case, admit a later plea if it considers the delay justified.

3. The arbitral tribunal may rule on a plea referred to it in paragraph 2 either as a preliminary question or in an award on the merits. The arbitral tribunal may continue the arbitral proceedings and make an award, notwithstanding any pending challenge to its jurisdiction before a court.

Article 30: Further written statements

The arbitral tribunal shall decide which further written statements, in addition to the statement of claim and the statement of defence, shall be required from the parties or may be presented by them and shall fix the periods of time for communicating such statements.

Article 31: Periods of time

The periods of time fixed by the arbitral tribunal for the communication of written statements (including the statement of claim and statement of defence) should not exceed 45 days. However, the arbitral tribunal may extend the time limits if it concludes that an extension is justified.

Article 32: Interim measures

1. The arbitral tribunal may, at the request of a party, grant interim measures.

2. An interim measure is any temporary measure by which, at any time prior to the issuance of the award by which the dispute is finally decided, the arbitral tribunal orders a party, for example and without limitation, to:
 - a) Maintain and restore the status quo pending determination of the dispute;
 - b) Take action that would prevent, or refrain from taking action that is likely to cause, (i) current or imminent harm to the subject matter of the arbitration or (ii) prejudice the arbitral process itself;
 - c) Provide a means of preserving assets out of which a subsequent award may be satisfied; or
 - d) Preserve evidence that may be relevant and material to the resolution of the dispute.
3. The party requesting an interim measure under paragraphs 2 (a) to (c) shall satisfy the arbitral tribunal that:
 - a) Harm not adequately reparable by an award of damages is likely to result if the measure is not ordered, and such harm substantially outweighs the harm that is likely to result to the party against whom the measure is directed if the measure is granted;
 - b) There is a reasonable possibility that the requesting party will succeed on the merits of the claim. The determination on the possibility shall not affect the discretion of the arbitral tribunal in making any subsequent determination; and
 - c) There is a real need for the arbitral tribunal to act with urgency.
4. With regard to a request for an interim measure under paragraph 2 (d), the requirements in paragraphs 3 (a) and (b) shall apply only to the extent the arbitral tribunal considers appropriate.
5. The arbitral tribunal may modify, suspend or terminate an interim measure it has granted, upon application of any party or, in exceptional circumstances and upon prior notice to the parties, on the arbitral tribunal's own initiative.
6. The arbitral tribunal may require the party requesting an interim measure to provide appropriate security in connection with the measure.
7. The arbitral tribunal may require any party promptly to disclose any material change in the circumstances on the basis of which the interim measure was requested or granted.
8. The party requesting an interim measure may be liable for any costs and damages caused by the measure to any party if the arbitral tribunal later determines that, in the circumstances then prevailing, the measure should not have been granted. The arbitral tribunal may award such costs and damages at any point during the proceedings.
9. An interim measure has the same effect as an award and may be enforced in the same manner.

10. A request for interim measures addressed by any party to a judicial authority shall not be deemed incompatible with the agreement to arbitrate, or as a waiver of that agreement.

Article 33: Emergency Arbitrator

1. If, before an arbitral tribunal is constituted, a party has a need for interim measures as described in article 32 paragraph 2 and in circumstances described in article 32 paragraph 3(a), such party may apply in writing to the LACIAC Court, through the LACIAC Secretariat, for such interim measures ("Emergency Measures") pursuant to the Emergency Arbitrator Rules in Annex IV. An application for Emergency Measures may only be made before the arbitral tribunal has been fully constituted.
2. Subject to paragraph 3 below, the emergency arbitrator's decision has the same effect as an award and may be enforced in the same manner.
3. An emergency arbitrator shall not decide any question as to the merits of the dispute. The arbitral tribunal is not bound by any matter decided by the emergency arbitrator, and may modify or reverse any findings, decisions or orders made by the emergency arbitrator.

Article 34: Evidence

1. Each party shall have the burden of proving the facts relied on to support its claim or defence.
2. Witnesses, including expert witnesses, who are presented by the parties to testify to the arbitral tribunal on any issue of fact or expertise may be any individual,

notwithstanding that the individual is a party to the arbitration or in any way related to a party. Unless otherwise directed by the arbitral tribunal, statements by witnesses, including expert witnesses, shall be presented in writing and signed by them.

3. At any time during the arbitral proceedings the arbitral tribunal may require the parties to produce documents, exhibits, or other evidence within such period of time as the arbitral tribunal shall determine.
4. The arbitral tribunal shall determine the admissibility, relevance, materiality and weight of the evidence offered.

Article 35: Hearings

1. In the event of an oral hearing, the arbitral tribunal shall give the parties adequate advance notice of the date, time and place thereof.
2. Witnesses, including expert witnesses, may be heard under the conditions and examined in the manner set by the arbitral tribunal.
3. Hearings shall be held in camera unless the parties agree otherwise. The arbitral tribunal may require the retirement of any witness or witnesses, including expert witnesses, except that a witness, including an expert witness, who is a party to the arbitration shall not, in principle, be asked to retire.
4. The arbitral tribunal may direct that witnesses, including expert witnesses, be examined through means of telecommunication that do not require

their physical presence at the hearing (such as videoconference).

Article 36: Experts appointed by the arbitral tribunal

1. After consultation with the parties, the arbitral tribunal may appoint one or more independent experts to report to it, in writing, on specific issues to be determined by the arbitral tribunal. A copy of the expert's terms of reference, established by the arbitral tribunal, shall be communicated to the parties.
2. The expert shall, in principle before accepting appointment, submit to the arbitral tribunal and to the parties a description of his or her qualifications and a statement of his or her impartiality and independence. Within the time ordered by the arbitral tribunal, the parties shall inform the arbitral tribunal whether they have any objections as to the expert's qualifications, impartiality or independence. The arbitral tribunal shall decide promptly whether to accept any such objections. After an expert's appointment, a party may object to the expert's qualification, impartiality or independence only if the objection is for reasons of which the party becomes aware after the appointment has been made. The arbitral tribunal shall decide promptly what, if any, action to take.
3. The parties shall give the expert any relevant information or produce for his or her inspection any relevant documents or goods that he or she may require of them. Any dispute between a party and such expert as to the relevance of the required information or production shall be referred to the arbitral tribunal for decision.

4. Upon receipt of the expert's report, the arbitral tribunal shall communicate a copy of the report to the parties, who shall be given the opportunity to express, in writing, their opinion on the report. A party shall be entitled to examine any document on which the expert has relied in his or her report.
5. At the request of any party, the expert, after delivery of the report, may be heard at a hearing where the parties shall have the opportunity to be present and to interrogate the expert. At this hearing, any party may present expert witnesses in order to testify on the points at issue. The provision of article 34 shall be applicable to such proceedings.

Article 37: Default

1. If, within the period of time fixed by these Rules or the arbitral tribunal, without showing sufficient cause:
 - a) The claimant has failed to communicate its statement of claim, the arbitral tribunal shall issue an order for the termination of the arbitral proceedings, unless there are remaining matters that may need to be decided and the arbitral tribunal considers it appropriate to do so;
 - b) The respondent has failed to communicate its response to the notice of arbitration or its statement of defence, the arbitral tribunal shall order that the proceedings continue, without treating such failure in itself as an admission of the claimant's allegations; the provisions of this subparagraph also apply to a claimant's failure to submit a defence

to a counterclaim or to a claim for the purpose of a set-off.

2. If a party, duly notified under these Rules, fails to appear at a hearing, without showing sufficient cause for such failure, the arbitral tribunal may proceed with the arbitration.
3. If a party, duly invited by the arbitral tribunal to produce documents, exhibits or other evidence, fails to do so within the established period of time, without showing sufficient cause for such failure, the arbitral tribunal may make the award on the evidence before it.

Article 38: Closure of hearings

1. The arbitral tribunal may inquire of the parties if they have any further proof to offer or witnesses to be heard or submissions to make and, if there are none, it may declare the hearings closed.
2. The arbitral tribunal may, if it considers it necessary owing to exceptional circumstances, decide, on its own initiative or upon application of a party, to reopen the hearings at any time before the award is made.

Article 39: Waiver of right to object

A failure by any party to object promptly to any non-compliance with these Rules or with any requirement of the arbitration agreement shall be deemed to be a waiver of the right of such party to make such an objection, unless such party can show that, under the circumstances, its failure to object was justified.

Article 40: Applicable law, amiable compositeur

1. The arbitral tribunal shall apply the rules of law designated by the parties as applicable to the substance of the dispute. Failing such designation by the parties, the arbitral tribunal shall apply the law which it determines to be appropriate.
2. The arbitral tribunal shall decide as amiable compositeur or ex aequo et bono if the parties have expressly authorised the arbitral tribunal to do so.
3. In all cases, the arbitral tribunal shall decide in accordance with the terms of the contract, if any, and shall take into account any usage of trade applicable to the transaction.

SECTION IV – THE AWARD

Article 41: Decisions

1. When there is more than one arbitrator, any award or other decision of the arbitral tribunal shall be made by a majority of the arbitrators.
2. In the case of questions of procedure, when there is no majority or when the arbitral tribunal so authorises, the presiding arbitrator may decide alone, subject to revision, if any, by the arbitral tribunal.

Article 42: Form and effect of the award

1. The arbitral tribunal may make separate awards on different issues at different times.

2. All awards shall be made in writing and shall be final and binding on the parties. The parties shall carry out all awards without delay.
3. The arbitral tribunal shall state the reasons upon which the award is based, unless the parties have agreed that no reasons are to be given.
4. An award shall be signed by the arbitrators and it shall contain the date on which the award was made and indicate the place of arbitration. Where there is more than one arbitrator and any of them fails to sign, the award shall state the reasons for the absence of the signature.
5. The LACIAC Court shall ensure that all procedural requirements are met before the Secretariat releases the award to the parties. Where there are lapses, the arbitral tribunal will be notified for rectification before release of the award. Before signing any award, the arbitral tribunal shall submit it in draft form to the Court. The Court, without prejudice to the inviolability of the independence of the arbitral tribunal's judgment, may draw their attention to matters of form and procedure required by the Rules, and only exceptionally to matters of substance.
6. Copies of the award signed by the arbitrators shall be communicated to the parties by the Secretariat.
7. Any award may be made public with the consent of all parties or where and to what extent disclosure is required of a party by legal duty, to protect or pursue a legal right or in relation to legal proceedings before a court or other competent authority.

Article 43: Settlement or other grounds for termination

1. If, before the award is made, the parties agree on a settlement of the dispute, the arbitral tribunal shall either issue an order for the termination of the arbitral proceedings or, if requested by the parties, and accepted by the arbitral tribunal, record the settlement in the form of an arbitral award on agreed terms. The arbitral tribunal is not obliged to give reasons for such an award.
2. If, before the award is made, the continuation of the arbitral tribunal proceedings becomes unnecessary or impossible for any reason not mentioned in paragraph 1, the arbitral tribunal shall inform the parties of its intention to issue an order for the termination of the proceedings. The arbitral tribunal shall have the power to issue such an order unless there are remaining matters that may need to be decided and the arbitral tribunal considers it appropriate to do so.
3. Copies of the order for termination of the arbitral proceedings or of the arbitral award on agreed terms, signed by the arbitrators, shall be communicated by the Centre to the parties. Where an arbitral award on agreed terms is made, the provisions of article 42, paragraphs 2, 4 and 5 shall apply.

Article 44: Interpretation of the award

1. Within 30 days after the receipt of the award, a party, with notice to the other parties, may request that the arbitral tribunal give an interpretation of the award.

2. The interpretation shall be given in writing within 45 days after the receipt of the request. The interpretation shall form part of the award and the provisions of article 42(2) to (6) shall apply.

Article 45: Correction of the award

1. Within 30 days after the receipt of the award, a party, with notice to the other parties, may request the arbitral tribunal to correct in the award any error in computation, any clerical or typographical error, or any error or omission of a similar nature. If the arbitral tribunal considers that the request is justified, it shall make the correction within 45 days of receipt of the request.
2. The arbitral tribunal may within 30 days after communication of the award make such corrections on its own initiative.
3. Such corrections shall be in writing and shall form part of the award. The provisions of article 42, paragraphs 2 to 6, shall apply.

Article 46: Additional award

1. Within 30 days after the receipt of the termination order or the award, a party, with notice to the other parties, may request the arbitral tribunal to make an award or an additional award as to claims presented in the arbitral proceedings but not decided by the arbitral tribunal.
2. If the arbitral tribunal considers the request for an award or additional award to be justified, it shall render or complete its award within 60 days after the receipt of the request. The arbitral tribunal may extend, if necessary, the period of time within which it shall make the award.

3. When such an award or additional award is made, the provisions of article 42, paragraphs 2 to 6, shall apply.

SECTION V - COSTS

Article 47: Definition of costs

1. The arbitral tribunal shall fix the costs of arbitration in the final award and, if it deems appropriate, in another decision.
2. The term "costs" includes only:
 - a) The registration fee;
 - b) The fees of the arbitral tribunal to be stated separately as to each arbitrator and to be fixed in accordance with article 21;
 - c) The reasonable travel and other expenses incurred by the arbitrators;
 - d) The reasonable costs of expert advice and of other assistance required by the arbitral tribunal;
 - e) The reasonable travel and other expenses of witnesses to the extent such expenses are approved by the arbitral tribunal;
 - f) The legal and other costs incurred by the parties in relation to the arbitration to the extent that the arbitral tribunal determines that the amount of such costs is reasonable;
 - g) Any fees and expense of the Centre.
3. In relation to the correction of any award and additional award under articles 45 and 46, the arbitral tribunal may charge

the costs referred to in paragraphs 2 (b) to (f), but no additional fees.

Article 48: Allocation of costs and accounting

1. The costs of the arbitration shall in principle be borne by the unsuccessful party or parties. However, the arbitral tribunal may apportion each of such costs between the parties if it determines that apportionment is reasonable, taking into account the circumstances of the case.
2. The arbitral tribunal shall in the final award or, if it deems appropriate, in any other award, determine any amount that a party may have to pay to another party as a result of the decision on allocation of costs.
3. After a final award has been made, the arbitral tribunal shall render an accounting to the parties of the deposits received and return any unexpended balance to the parties.

- b) A request to the respondent to concur with the appointment of a sole arbitrator and the name and professional qualifications of at least one but no more than three suggested arbitrators as candidates for the role of sole arbitrator;

3. Selection of Arbitrator

- 3.1. If after 15 days from the receipt by the respondent of the notice of arbitration the parties have not agreed on the identity of the arbitrator, a sole arbitrator shall, at the request of a party, be appointed by the LACIAC Court, as promptly as possible. In making the appointment the LACIAC Court shall use its discretion.
- 3.2. Where the parties have agreed that there will be a panel of three arbitrators, and if within 7 days after the appointment of the second arbitrator the two arbitrators have not agreed on the choice of the presiding arbitrator, the presiding arbitrator shall be

appointed by the LACIAC Court in the same way as a sole arbitrator would be appointed under paragraph 3.1.

4. Pre-Hearing Conference

 - a) all non-privileged hardcopy and electronic documents that they reasonably believe are relevant to any issue to be resolved in the arbitration;

- c) each party may serve a list of particular categories of documents needed with respect to the dispute, which list shall attempt to be as specific as reason-ably practicable, and each party shall then serve in response a statement of whether the initial production included the requested documents and, if not, whether the production will be supplemented or whether there is an objection thereto.

- 5.3. Any documents not produced two weeks prior to the arbitration hearing may not be used by the producing party at the hearing, except for rebuttal documents, which may be admitted in the discretion of the tribunal.

6. Hearings

If, before the award is made, the parties agree on a settlement of the dispute, the tribunal shall either issue an order for the termination of the arbitral proceedings or, if requested by the parties, and accepted by the tribunal, record the settlement in the form of an arbitral award on agreed terms. The tribunal is not obliged to give reasons for such an award.

8. Costs

Costs shall be determined in accordance with the cost schedule at Annex IV.

Costs of the Emergency Arbitrator Proceedings

4. A request for the appointment of an Emergency Arbitrator, in accordance with article 28 and Annex V shall be accompanied by a non-refundable registration fee of US\$1200. Notwithstanding the provisions in paragraph 1.2(e) of Annex V, the Centre shall not register the application until payment of US\$1200 is received by the Secretariat.

The applicant must pay to the LACIAC Secretariat the Emergency Arbitrator’s charges in the sum of US\$5000, to cover fees and expenses at the time of applying for the appointment of an Emergency Arbitrator.

5. The Emergency Arbitrator’s charges may be reduced by the LACIAC Court at the request of a party or may be increased by the LACIAC Court at the request of the Emergency Arbitrator at any time during the emergency arbitrator proceedings if the particular circumstances of the case are deemed to warrant a reviewed fee. If the applicant fails to pay the reviewed charges within the time limit fixed by the Secretariat, the application shall be considered as withdrawn.
6. In the event of a challenge by any party to the Emergency Arbitrator, the party that applied for the appointment of the Emergency Arbitrator shall pay forthwith to the Centre such further sum as may be directed by the LACIAC Court in respect of the fees and expenses of the individual or division appointed to decide the challenge.
7. If the Centre refuses an application for the appointment of an Emergency Arbitrator, the Emergency Arbitrator’s fee shall be treated as a deposit lodged by the applicant party on account of the Arbitration Costs in accordance with article 47 and paragraph 2 of this annex of the Rules and the Schedule.

ANNEX V - EMERGENCY ARBITRATOR RULES

1. Application for Emergency Interim Measures

- 1.1. A party who seeks interim measures under the emergency arbitrator provisions in article 33 must submit an application in writing to the LACIAC Court through the LACIAC Secretariat. The application may be delivered by e-mail and must be notified to the other parties to the arbitration agreement.
- 1.2. The Application must state the particulars set out in article 4 paragraph 3 (b), (c), (d) and (e) of these Rules, and in addition it must:
 - a) State the precise nature of the interim measures sought;
 - b) State the facts upon which the party relies for asserting that
 - (i) Harm not adequately reparable by an award of damages is likely to result if the measure is not ordered before the arbitral tribunal is constituted, and
 - (ii) Such harm substantially outweighs the harm that is likely to result to the party against whom the measure is directed if the measure is granted.
 - c) Annex the notice of arbitration referred to in article 4, and all other documents that will assist the emergency arbitrator in reaching a decision as to the appropriateness of the interim measures sought.

2. Appointment of an Emergency Arbitrator

- 2.1. An emergency arbitrator will be appointed by the LACIAC Court promptly upon receiving the application from the LACIAC Secretariat, but an Emergency Arbitrator will not be appointed if the arbitral tribunal referred to in articles 10 to 13 has been constituted.
- 2.2. When a person is approached in connection with his or her possible appointment as an emergency arbitrator, he or she shall disclose any circumstances likely to give rise to justifiable doubts as to his or her impartiality or independence by submitting to the Secretariat a signed statement of impartiality and independence. An emergency arbitrator, from the time of his or her appointment and throughout the emergency arbitrator proceedings, shall without delay disclose any such circumstances to the parties and the other arbitrators unless they have already been informed by him or her of these circumstances.
- 2.3. Appointment as an emergency arbitrator disqualifies a person from acting as arbitrator in relation to the merits of the dispute.

3. Challenge of an Emergency Arbitrator

- 3.1. An emergency arbitrator may be challenged only if there are circumstances which give rise to justifiable doubts as to his or her

impartiality or independence. A party who intends to challenge an emergency arbitrator must notify such challenge to the LACIAC Court, through the LACIAC Secretariat, with notice to the other party. The challenge must be made within three days from the date that the LACIAC Secretariat notifies the parties of the appointment of the emergency arbitrator, or within three days from the date the party making the challenge becomes aware of the facts given rise to the challenge, whichever is later.

- 3.2. The LACIAC Court will decide such challenge promptly, after it has received representations in writing from the emergency arbitrator and the other party or parties.

4. The Emergency Arbitrator Proceedings

- 4.1. The seat of the emergency arbitrator proceedings is the seat of the arbitration as agreed by the parties in the arbitration agreement.
